There will be no net visual change to the property. I understand that any visual changes or any project requiring removal and replacement of an existing structure (such as deck) will require an Administrative Permit and/or committee approval.

Exemptions from permit with fee requirement: The restoration or repair of existing driveways, roofs, and building equipment, such as wells, furnaces, central air, water heaters, and similar mechanical equipment (except electrical service) without the alteration of, or addition to, the building structure.

Minor repairs performed for maintenance or replacement purposes in an exiting building which does not involve the structural portions of the building or structure, or which does not affect room arrangement, light and ventilation, access to or efficiency of any exit stairways or exits, fire protection and which does not increase a given occupancy or use. (Example: Window and door replacement, if it does not affect the structure).
